SAFER WORK SITE SPEED MANAGEMENT

MTW

Radar Speed Limit Signs

MTW Solar Powered Radar Speed Limit Signs offer a high visibility, programmable speed display for use in a variable speed zone. The sign uses high intensity green and red LED display. Utilising the latest electronic hardware and software technology, the sign displays bright, clear and concise speed limits, variable at user's preference.

- Constructed with an industrial design for durability.
- Programmable in 5km increments.
- Transportable design.
